INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Spencer R. Ragsdale, after being first duly sworn,
deposes and says:

I am about 80 years of age; was born in Haversham County, Ga.; have spent my life mostly in Cherokee County, Ga. I claim Indian blood through my mother. Her grandfather married an Indian woman. I never received any Indian money from the government. In 1852 I lived in Cherokee County. At that time we were not recognized as Indians and did not think about our Indian blood. My mother never received any Indian money from the government and none of my relatives ever did that I know of. Nothing but Indians here when we came here. I never heard my mother say if there where any where we came from. The Indians that were here did not go to school. I did. I have always been a voter. I have seen my grandmother. My grandfather married here in Cherokee County. I lived here when they carried the Indians away. They carried them all away. Said they were going to take them to Arkansas.

Thos. M. Berry,
Doyle, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your grandparents and other ancestors through whom you claim Cherokee descent and who were living in 1876 and 1881, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Was your mother or any of your ancestors ever held as a slave? If so, state by whom they were owned. Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did any of your ancestors ever receive any Old Settler payment? If so, state when and where.

Give the names of your ancestors who ever lived with any Indian tribe, give the name of the tribe, and state the year each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

#41914.

Mary E. Bachlor being first duly sworn deposes and says:

My name is Mary E. Bachlor, and I live at Rocky, Okla. I am 28 years old. I claim my Indian descent through my mother Margaret J. Berry. She died in 1884 at the age of about 38 or 39. I do not know where my mother was born. I was born in Tex. and raised in the Territory. I am pretty sure that my mother was not born back east. I do not know just how much Indian blood my mother had, but I think her great grandmother was 1/2 Cherokee Indian. I think my mother got her Indian blood through her mother, Sarah Taylor. My grandmother died when I was small either in the Chickasaw or Choctaw Nation. I do not know how long she lived among those Indians. I do not think she owned any land among those people. She was moving from the Choctaw Nation back to the Chickasaw Nation, and that is why I do not know just where she died. I do not know how old she was at the time of her death, nor where she was born. My grandfather was a white man. My grandmother got her Indian blood through her mother, whose name was Davis. The Wallaces mentioned in my application were the names of my great grandmother's people before she married a Davis. My and my grandmother Sarah ~~xxxx~~ Taylor was a Davis. My great grandmother got her Indian blood through her mother, my great great grandmother, was a Wallace. There is a tradition that these Wallaces came from Ala. My uncle started a long time ago to prove up his rights, and he said that my grandmother, Sarah ~~xxxx~~ Taylor, and my great grandmother, Bettie Wallace Davis, were on the rolls. I do not think my mother or grandmother got any money from the government on account of their Indian blood. Neither I nor my mother ever applied for lands or money in the Indian Territory. But my mother's brother Kendrick Taylor was about to apply when he died. I have three brothers who have applied to participate in this fund. One of them is in the Creek Nation and two of them in the Choctaw. They have all applied I think, and the claims of Robert H. and Walter L. Berry should go with this claim.

Dennis C. Mitchell being first duly sworn deposes and says:

My name is Dennis C. Mitchell, and I live at Rocky, Okla. I am 60 years old. I know Mary E. Bachlor, who has just testified. I am no relation to her, and I have no interest in any claim she may have against the Government. I never knew her mother, but I did know her grandmother, Sarah J. Taylor. Her own mother died before I came to this part of the country. I last saw Sarah J. Taylor 17 years ago. She was then living on Bear Creek, in the Chickasaw Nation. I have heard her say that she had Cherokee Indian blood. I do not know that she ever told me just how much Indian blood she claimed. I do not remember of her ever saying that she was enrolled or of her getting any money from the Government on account of her Indian blood. When I knew her 17 years ago, I should think she was somewhere between 40 and 50. I could not tell just where Sarah J. Taylor's mother came from. I think though that they came from Ala. originally. The Indians (Chickasaw) on the Great Bear Creek recognized Sarah J. Taylor's people, and visited them as one of them.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, I beg to state that I am unable to identify any of the parties mentioned therein on either the roll of 1835 or that of 1851. If you claim any of them were on either of said rolls, give the names under which they were enrolled. If not enrolled, state the reason why.

Was your mother married in 1851? If so, what was her name at that time? Do you claim any Indian descent whatever through your father? If so, give the names of his parents and his brothers and sisters.

Did your mother ever receive any Old Settler payment? If so, under what name did she receive it, and when and where? Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by Indians or white people.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the date when

J.O.R. - 2

each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

App. No. 41918

June 3, 1908.

James Miller,
Wanette, Okla.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1845 and 1851, do not appear on the Cherokee rolls of those dates.

Through which of your parents do you claim Cherokee descent? Have you been enrolled by the Dawes Commission? If so, give the number of your enrollment and indicate on what roll your name appears.

Did either of your parents or any of your ancestors ever receive any Old Settler payment? If so, state when and where.

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

FDR/LJC

Special Commissioner.

No. 41918

Jim Miller, after being first duly sworn, deposes and says:

I am 52 years of age; was born in Alabama, Madison County. I claim Cherokee Indian blood through my mother. She never got any Indian money from the government that I know of. I have never gotten any Indian money from the government. I tried to get an allotment before the Dawes Commission but failed. This was about ten years ago. My mother was born in Madison County, Ala. She got her Indian blood from her mother. I have seen my grandmother. She lived in Madison County. I do not know if she passed as a white woman or not. She lived in the town of Huntsville. My mother did not speak the Indian language. My mother came West from Alabama about 20 years ago. I first located in the Cherokee Nation. My father was a white man. I first heard of my Indian blood when I was small. I have heard my parents speak of it all my life. I never knew I could prove my rights until I came to the territory. I then put my case in the hands of a lawyer but never heard much about it.

Appl. # 41934.

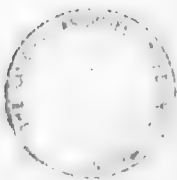

John W. Boone being first duly sworn, deposes and says:

My name is John W. Boone. I live at 527 Cherokee Ave., Atlanta, Ga. I was born 1869. I was born in Cowetta Co., Ga. My father's name is Joseph W. Boone, my mother's name Martha J. Boone. My father is about 68 years old, and was born in Carroll Co. I claim through my father and her mother. Her name was Ferriby Lassiter. before she was married, and she married Wm. Boone. I don't know where she was born and raised. I don't know whether my father has filed an application or not. He always lived with the white people. My grandmother's father lived with the Indians. My grandmother had very little to say about it. I don't think my grandmother ever lived with the Indians. I don't know the name of my grandmother's father. I never heard of my father or my grandmother getting any money or land from the Govt. on account of their Indian blood. The records were burned up of my grandfather's and grandmother's marriage. I never heard of my father or grandmother being enrolled. In 1851 my father and grandmother were living in Carroll Co. in 1882 my father was living in Cowetta Co., Ga. I have heard of them speak of a Treaty. But I didn't remember the date. I have heard that some of my relatives were some of the signers of that treaty with the Government. I think the name was Lassiter. I think my grandfather owned land here in Ga. when my father was born. If he didn't then, he did immediately afterward. My grandfather was a voting man.

App. No. 41942

June 3, 1908.

Ida Brownlee,
618 Lemon St.,
Marietta, Ga.

Madam:--

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Through which of your parents do you claim Indian descent?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Ida Brownlee,

Marietta, Georgia.

Madam:

You were notified to appear at Marietta, Georgia, on July 3, 1908, before my assistant, Frank D. Ryan, to produce additional testimony in the matter of your application for participation in the judgment of the Court of Claims in favor of the Eastern Cherokees.

You failed to appear, or produce witnesses, and, as we will not be in your section of the country again to take testimony it will be necessary for you to answer each and every one of the following questions: (If you cannot possibly answer any given question, so state, that we may know it has not escaped your attention.)

1. Do you pass as white, colored or Indian, in the community in which you live? If colored, were you, or any of your ancestors, ever held as slaves by white people or Indians?
2. Through which parent, or grandparent, do you claim Indian blood, and to what degree?
3. As near as possible name the county and state where each ancestor, who is descended from Indians, was born and raised; and if they resided in more than one place, so designate, and state when they resided in each?
4. Did you, or any of your ancestors, ever reside with any tribe of Indians as recognized members of the tribe? If so, give the name of the tribe, and the names of the ancestors who lived with the Indians, and state when and where they lived with them?
5. Were you, or any of your ancestors, ever on any Indian Roll? If so, state under which tribe you or they were enrolled, and all the various names by which you may have been known and enrolled at that time?

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

We were never slaves, were always free people and were always recognized as Indians. I had three brothers, namely, Jim Redmond, John Redmond and Solomon Redmond. I had two sisters, Fannie Redmond and Lettie Redmond. I can remember when the Indians were driven away from this country. The reason we didn't go was that my father married a half white woman and for that reason wouldn't take us and left us in this part of the country. My father had a farm in Habersham County and was his own boss, was never owned by anyone and was always taken for an Indian, never as a colored person. The Indians lived near us and they would always come to visit us and our people would go to visit them. I don't know why my ancestors were not enrolled. I remember when they were driving the Indians on one occasion the lost two Indians from the tribe and although they hunted for them they couldn't find them. These two Indians I saw running away and I heard them say that they wouldn't go unless they were killed. I remember distinctly when the Indians and my people used to shoot with the bow and arrow. The Indians where we lived used to make baskets and my mother made baskets too. I have always been recognized as an Indian and at this time I am recognized in Gainesville as an Indian. We associate with colored people for the reason that we thought the whites wouldn't associate with us. We positively have no negro blood in our veins.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name and those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Did your husband possess any Cherokee blood? If so, to what tribe did he belong? Did he ever live with the Indians? If so, state when and where.

Were you or your husband or any of your ancestors or his ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did you or either of your parents ever reside with any Indian tribe since 1830? If so, when and where and what was the name of the tribe?

Very respectfully,

Special Commissioner.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1825 and 1831, do not appear on the Cherokee rolls of those dates.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, or what part, if any, they took in the tribal councils.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father?

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of those ancestors who ever lived with any Indian tribe, also the name of the tribe and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Marietta, Ga.

Sir:

You were notified to appear at Marietta, Georgia, on July 3, 1908, before my assistant, Frank B. Ryan, to produce additional testimony in the matter of your application to participate in the judgment of the Court of Claims in favor of the Eastern Cherokee.

You failed to appear, or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary that you answer each and every one of the following questions: (If you cannot possibly answer any given question, so state, that we may know that it has not escaped your attention.)

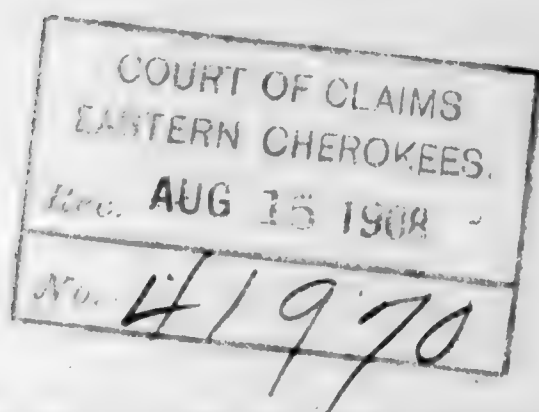

1. Through which parent or grandparent do you claim Indian blood, and to what degree do you claim?
2. As near as possible, name the county and state, where each ancestor, who is descended from Indians, was born and raised, and if they resided in more than one place, so designate, and state when they resided in each.
3. How are you recognized at the present time in the community in which you live? That is, - are you considered white, Indian or colored? If colored, were you, or any of your ancestors, ever held as slaves either by white people or Indians?
4. Did you, or any of your ancestors, ever reside with any tribe of Indians as recognized members of the tribe? If so, give the name of the tribe, and the names of the ancestors who lived with the Indians, and state when and where they lived with them?
5. Were you, or any of your ancestors, ever on any Indian Roll? If you were, state under which tribe you were enrolled, and all the names under which you or they may have been enrolled.

Yours truly and obediently, referring to #41970.

Very respectfully,

June 3, 1908.

Price W. Smith,
Pt. Peter, Ga. R.F.D. 2

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

What, if any, relation are you to Asa Thornton of Nicholson, Ga?

Do you claim any Indian descent whatever through your father? Was your mother or any of her ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

PUR/LJC

Special Commis. Genl.

1. Why were you, your parents, or grandparents, never enrolled?
2. Were any of your ancestors ever slaves? Do you pass as white or colored in the community in which you live?
3. Were any of your ancestors parties to the treaties of 1835-6 and 1846?

In Re. Asa John Thornton vs Claim for
Share in Eastern Cherokee Fund.

Personally appeared before me, John B. Gamble, a Notary Public, who is authorized to administer oaths, in and for said State and County, Asa John Thornton, who after having been duly sworn, deposes swears and says:

First.

That he is a son of Harrison Linzey Thornton and Alecy Smith Thornton; and that his father and mother were married in 1838 in Oglethorpe County, State of Georgia, and remained in said County of Oglethorpe during this period from 1838 to 1851, up to their death. His father died in 1855 and his mother died in 1885.

Second.

Harrison Linzey Thornton was a son of Herred Thornton and Polly Wise Thornton. They were married and died before the birth of affiant.

Polly Wise Thornton was a daughter of Robert Wise and Polly Wise.

Affiant does not know who were the father and mother of Robert Wise and his wife Polly Wise.

THIRD.

Herred Thornton was a son of Blant Thornton and Worry Thornton.

FOURTH.

Alecy Smith Thornton was a daughter of Moses Smith and Francis Smith.

Moses Smith was a son of Pink Smith and Mary Smith.

Francis Lacey Smith was a daughter of Jack Lacey and her mother is unknown to affiant.

FIFTH.

Affiant says that all of his ancestors lived in Oglethorpe County, said State, and Liberty County, said State, except his father and Polly Wise Thornton moved to the State of Alabama before the civil war of 1865, and resided in that State during the period of 1851 to 1881.

SIXTH.

Affiant further swears that his mother told him that affiant's grand mother on his father's side, Polly Wise Thornton was a full blood Indian and that his father, the son of Polly Wise Thornton, Harrison Linzey Thornton, was a half blood Indian.

Affiant further swears that the mixture of blood with his mother, grand mother on his father's side, was with white blood.

Affiant further swears that his ancestors were Eastern Cherokee Indians, and they were never held as slaves in so far as he is informed.

~~12787~~

John B. Garble,
LAW OFFICES,
ATHENS, GA.

**IN RE ASA JOHN THORNTON VS. CHEROKEE INROLLMENT
FUND, NUMBER 21991.**

In answer to first question hereto attached said applicant says: "My name is Asa John Thornton. Age 55 on August 29, 1908. Post Office address Nicholson, Ga., Jackson County, R.F.D. #15."

PARAGRAPH II.

In answer to second question witness says: "I am claiming my Cherokee Indian blood through my father, Haralson Lensey Thornton."

PARAGRAPH III.

In answer to the third question witness says: "My father died October 5, 1855 (so I have been informed by all of my relatives and by the family bible record) My father was 55 years old when he died having been born in the year 1800 (as shown by record in said family bible). My father was recognized as a part Indian and part white, but associated with the white people of his community. My father's father and mother --Herod Thornton and Polly Wise Thornton-- were living in Oglethorpe or Elbert County, state of Georgia, at the time of the birth of my said father. They were at that time connected with the Indians living in that section of the State, but by reason of the fact that white people were also living in that immediate vicinity, they associated to some extent with them, but were recognized as Cherokee Indians from all the records and information received by me."

PARAGRAPH IV.

"My grandmother, Poly Wise Thornton, through whom I claim my right to a portion of the Cherokee fund, to the best of my knowledge and information she was either born in Virginia or migrated there before her location in the State of Georgia. I do not know exactly the date of her birth. She was a full blood Cherokee Indian and lived and

went with the Indian tribes, but married Herod Thornton, a full blood white, the date of which I do not know. My said grandmother was recognized in the community in which she resided as a full blood Indian."

PARAGRAPH V.

"Neither my father nor my grandmother, through whom I claim my Indian blood, have ever received any money ^{nor} on land from the United States Government on account of having Indian blood so far as I am able to ascertain. I have no knowledge of any of my family connections ever having received any land or money from the Government by reason of being Indians."

PARAGRAPH VI.

In answer to the 6th question witness says: "I am unable to answer this question for the want of sufficient information in that behalf. My father having died when I was only two years old and my grandmother also being dead and having previously moved to Alabama, I have been unable to procure any information in this behalf."

PARAGRAPH VII.

In answer to the 7th question witness says: "I am unable to state whether or not my father or my grandmother were ever engaged in any tribal proceedings with the Cherokee Indians. My father voted with the white people just before the civil war in Georgia, and my grandmother not being eligible ~~for~~ franchise could not vote and did not vote."

PARAGRAPH VIII.

In answer to the 8th question witness says: "My grandparents, through whom I am claiming lived either in Elbert or Oglethorpe County at the time the Indians were driven west. Herod and Poly Wise Thornton, my grandparents were sent off with the Indian tribes at the time they were driven west. When last heard of by the older members of my family they were in Alabama."

PARAGRAPH IX.

In answer to the 9th question for the want of information witness can not state positively that ~~his~~ grand-parents were slaves of Indians, but he is informed ^{that} as they they were not. His father and mother were neither slaves of Indians or white people.

PARAGRAPH X.

In answer to the 10th question witness says that his first recollection of his father's sister, Warry Thornton Glenn, was when he was about 8 years old and at that time his said aunt was 80 years old, having very dark features, coal black hair, keen penetrating eyes, sharp cheek bones and so different from the white people that he was actually frightened by her.

"One of the main reasons for believing that I have Indian blood is due to my own features; viz., that of long sharp nose, keen eyes, projecting cheek bones and low reclining forward, all of which indicate to my mind the features of an Indian. I will mail under separate cover a photograph recently taken of myself."

PARAGRAPH XI.

In answer to the 11th question witness says that the first he ever heard of any treaty (if you so term it a treaty) for money that was given to the Indians by the Government was the statement made by his mother to him before her death. Which was to the effect that there was money out for the Indians, but she would not live to get any of it, but possibly the boys would. She made this statement to him December before she died on July following.

PARAGRAPH XII.

In answer to the 12th question witness says that in 1882 he was living in Jackson County near Nicholson in the same community in which he is now living and that his parents were living in the old homestead in what is Goose ~~land~~ Oglethorpe County, said State.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your grandparents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

What relation, if any, are you to Kizzie Harney of Woodstock, Ga?

Do you claim your Indian descent through any other original source than that of Jesse Roberts?

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived. If any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

App. No. 42000 with
No. 41997

June 3, 1908.

Mary J. Southern,
Cartersville, Ga.

Madam:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Do you claim any Indian descent whatever through your father? Were you or your mother or any of your ancestors ever held as a slave?

What relation are you to Jessie K. Williams and do you claim through any source other than him?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Reply promptly, referring to application #42000 with #41997.

Very respectfully,

Special Commissioner.

Special Commr.,

App Nos 42000 &
41997

Dear Sir:

I do not know why the names of my ancestors were not on the Eastern Cherokee Rolls of 1835 & 1857 unless it was because they did not know the importance of being enrolled.

I claim no Indian blood through my father. None of my ancestors were ever held as a slave.

My Grand father was Jno A Williams, & Jesse K. Williams was either father or brother to Jno A Williams.

My ancestors Jno A Williams & Jesse K Williams lived with E Cherokee tribe in Western N.C. Jackson or Haywood Counties, and took part in Tribal Councils.

Attest T. H. Tabor

Very respectfully,

App. No. 42011

June 3, 1908.

V. U. Johnson,
Owltown, Ga.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why the names of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

What relation, if any, are you to Jessie K. Williams, mentioned in your application as having applied under application #26450? Do you claim through any source other than that through which he claims?

What relation are you to Mary J. Southern of Cartersay, Ga?

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

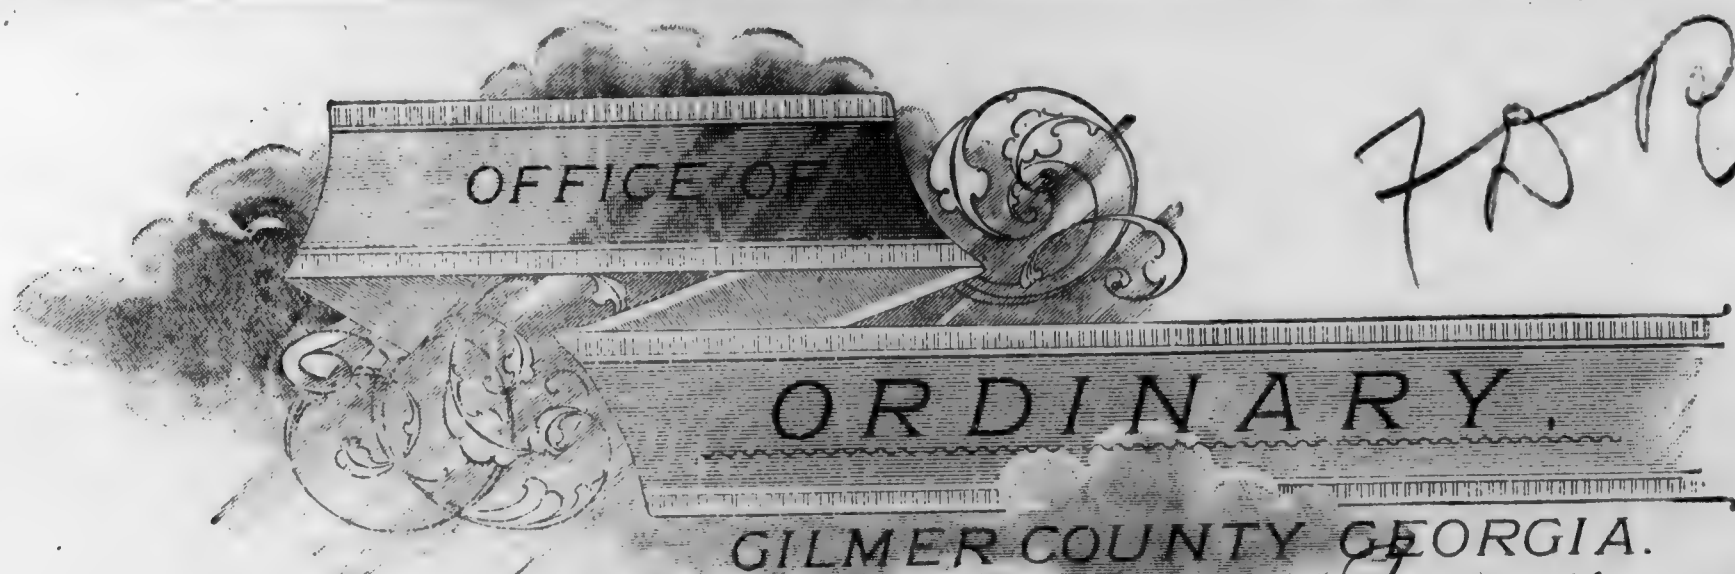

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived, and what part, if any, they took in the tribal councils.

Very respectfully,

FDR/LJ

Special Commissioner.

T. H. TABOR, Ordinary.

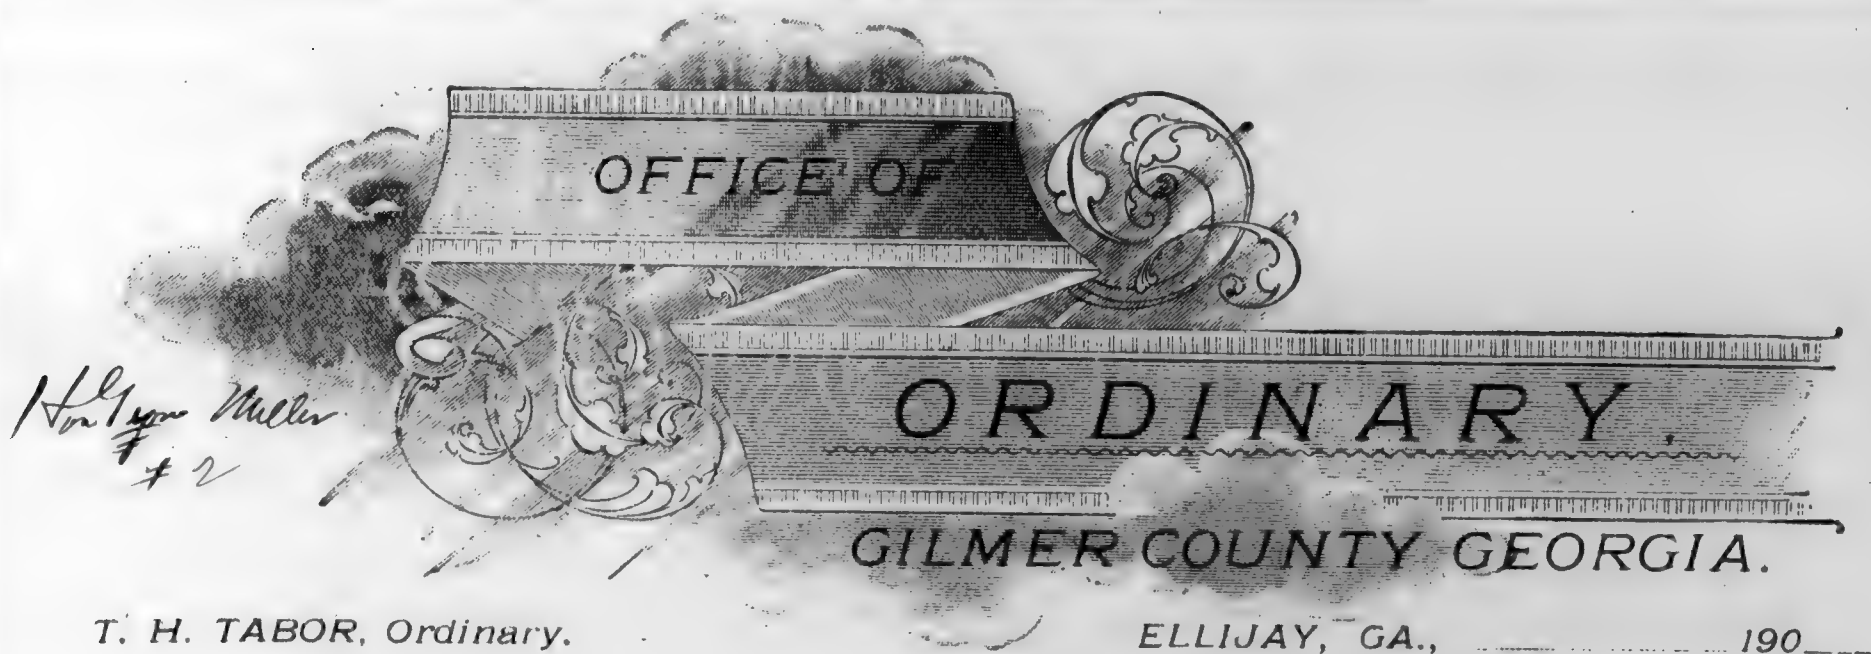

ELLIJAY, GA. June 8th 1908

Hon Union Miller
Special Commissioner &c
Sir:

In answer to your letter concerning app No 42,011, I as father of V. N. Johnson, will answer for him, as I perhaps know more about it than my son does. If anything further is required from him please notify him. However his answers would be about the same, as we both have the same version of the matter.

We do not know why our ancestors through whom we claim, do not appear on the rolls of the Eastern Cherokees of those dates, unless it was because they were not full bloods.

Referring to app of Jesse K. Williams No 26450 V. N. Johnson is son of myself J H Johnson and Jesse K Williams is uncle to J H Johnson. V N Johnson claims through no other source than Jesse K Williams claims. V. N. Johnson is ~~second~~ son of J H Johnson, who is second cousin to Mary J Southern. Neither of our parents or ancestors were ever held by

T. H. TABOR, Ordinary.

ELLIJAY, GA., 190__

as slaves by Indians or whites.

My great grand father lived with his wife, a half breed Cherokee in Western N.C. also they lived with the Eastern Cherokee Indian Tribe. They lived many years with the tribe above named. In Wacon Co N.C. Don't know whether or not they took part in tribal Councils.

The above answers were prepared by T. H. Tabor who represents me and are true.

Respectfully,

J. H. Johnson.

#42011

Miscel.

James H.
~~Virgil~~ Johnson being first duly sworn, deposes and says:

That I am 63 years of age and live in Gilmer Co., Ga. I have filed application myself. My wife is a white woman. I claim my Indian descent through my mother. Virgil U. Johnson is my son. My father was a white man. My mother's father claimed Indian. My mother was born and raised in Runcombe Co., N. C. She left there when I was small and came to Macon Co., Ga. I left Macon Co., Ga. in 1868. My mother never lived with the Indians as a member of the tribe, nor did my grandfather - William Williams. Jesse K. Williams is my half uncle on my mother's side. None of my ancestors were on any rolls that I know of. None of my ancestors ever received any money from the Government that I ever heard of. I am recognized as a white man with some Indian blood. My application number is 41744.

Before me,

duly sworn according to law
on his oath did swear as fol-
lows, to wit: My name is
Henderson Prasher, and I am
seventy-nine (79) years old, and
live in Fayette County, Ala, and
Bankston is my home place.

I am a full-blood
uncle to William Edward
Ayers, who I am informed,
has filed his Eastern Cherokee
Indian Application.

William Edward Ayers
is a son of E. Ayers and Mary
Ann Ayers (nee Prasher). Mary
Ann Ayers (nee Prasher) was
my full-blood sister — both had
same parents — and she is now
dead.

I was born in Tennessee

District, 11½ miles from
Greenville Court house, South
Carolina. My Sister,
Myley Ann Brasher Ayers
was born in Coweta county,
Georgia, near Newnan.

The Parents of my Sister,
Myley Ann Ayers (nee Brasher)
and myself were A. Quilla
Brasher my Father, and Francis
Brasher (Henderson) my
mother, and they told me they were
born the same place & was
born. My mother spoke the

Cherokee

~~Indians language~~
My Father's parents (my
paternal grandparents) were
John Brasher, my Grandfather, and Martha
Brasher (nee Wilburn), my
Grandmother.

My Mother's parents (my
maternal grandparents) were
Jim Henderson, my Grandfather,
and Lila Henderson (nee
Taylor), my Grandmother. My
mother was one quarter
Cherokee Indian, and she told
me that Lila Henderson (nee
Taylor) was one quarter

half Cherokee Indian.

This Cherokee Indian
ancestry made myself and
sister, Wiley Ann Wagers
(nee Prasher) one-eighth
Cherokee Indian.

Both myself and said sister
trace our Cherokee Indian
blood. So much so that
I was called "Indian Prasher."

I have filed no Eastern
Cherokee Indian application,
and I have no financial inter-
est whatever in the Eastern
Cherokee Indian claim of
William Edward Lewis.

No. 42027.

William E. Ayers, being first duly sworn, deposes and says:

My name is William E. Ayers; I reside at Avondale, Birmingham, Ala. I was born in Fayette Co., Ala. in 1863. My uncle, Henry T. Brasher, did not file application because the time had expired, but he intends to file one very shortly. I claim relationship to the Cherokee Indians through my mother, Wiley A. Ayers, whose maiden name was Wiley Brasher, and she was one-eighth Cherokee Indian. My mother claims through her mother, Francis Brasher, whose maiden name was Francis Henderson, who was a quarter Cherokee Indian. My mother was born in Carroll County, Ga. about 1838; my grandmother was born in Greenville, S. C. in 1802. My mother lived in Carroll Co., Ga. until about 1853, when she moved to Fayette Co., Ala., where she was married. I remember my mother and grandmother very well; my mother could speak some few words of the Indian language; my grandmother could talk it fluently. I remember my grandmother speaking about living with the Indians in South Carolina; she always told me that her people were Cherokee Indians. My uncle, Henderson Brasher, has filed an affidavit in this claim, showing my connection with the Cherokee Indians. I know of no enrollment of my mother or her people as Indians and they never received any money from the Government or any allotments. My people have always been recognized as white people. The Indians never visited at our house, nor do I remember my people going to visit the Indians.

Sir:-

In reference to your application for minors to participate in the Eastern Cherokee Fund, kindly state why the names of their ancestors through whom they claim Cherokee blood, do not appear on the Cherokee rolls of 1835 and 1851. Was their mother or any of their ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Give the names of their ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state where they then lived and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.

Mr. John Miller Special Commissioner
Eastern Cherokee Enrollment.
Washington D.C.

Dear Sir:-

I am in receipt of your favor of the 28th ultimo addressed to me at Long Island Ala. in regard to my application for participation in the Eastern Cherokee fund #42056-30402 and in this connection beg to advise that the number of my application is 42036 on card mailed me on Sept. 19th 1907 whereas you quote #42056 in your letter. Kindly advise me the correct number and also note that my address at present is P.O.Box #80 Bridgeport Ala. where all letters should be addressed.

In reply to the questions will state that none of my ancestors were ever slaves, and from my own knowledge I do not know why none of my parents or grand parents were never enrolled and take that they probably never had an opportunity to enroll or knew nothing of the enrollment or were never called on by any officers of the Government to be enrolled.

I trust that this explanation will be satisfactory and hope to obtain a settlement of my claim at an early date.

Yours very truly

Sallie Glover

Ollie Adkins,
Eula, Ala.

Madam:-

Relative to your application for participation in the Western Cherokee Fund, kindly state why the names of your parents and other ancestors who you claim possessed Cherokee blood and who were living in 1875 and 1881, do not appear on the Cherokee rolls of those dates.

Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by Indians or white people.

Through which of your parents do you claim Indian descent?

Give the names of your ancestors who ever lived with any Indian tribe, also the name of the tribe, and state the time when each lived with such tribe, naming the county and state. Were they then living, and what part, if any, they took in the tribal councils.

Very respectfully,

Special Commissioner.
